FOREWORD

This book contains the ledger of our life in the past year. We hope in earnest that our experiences and daily lessons will profit us in the future. Our gratitude to those who have guided us on our road to manhood can never be measured. Our purpose is this: To leave these hallowed halls, in the truest sense of the word, Men!

DEDICATION

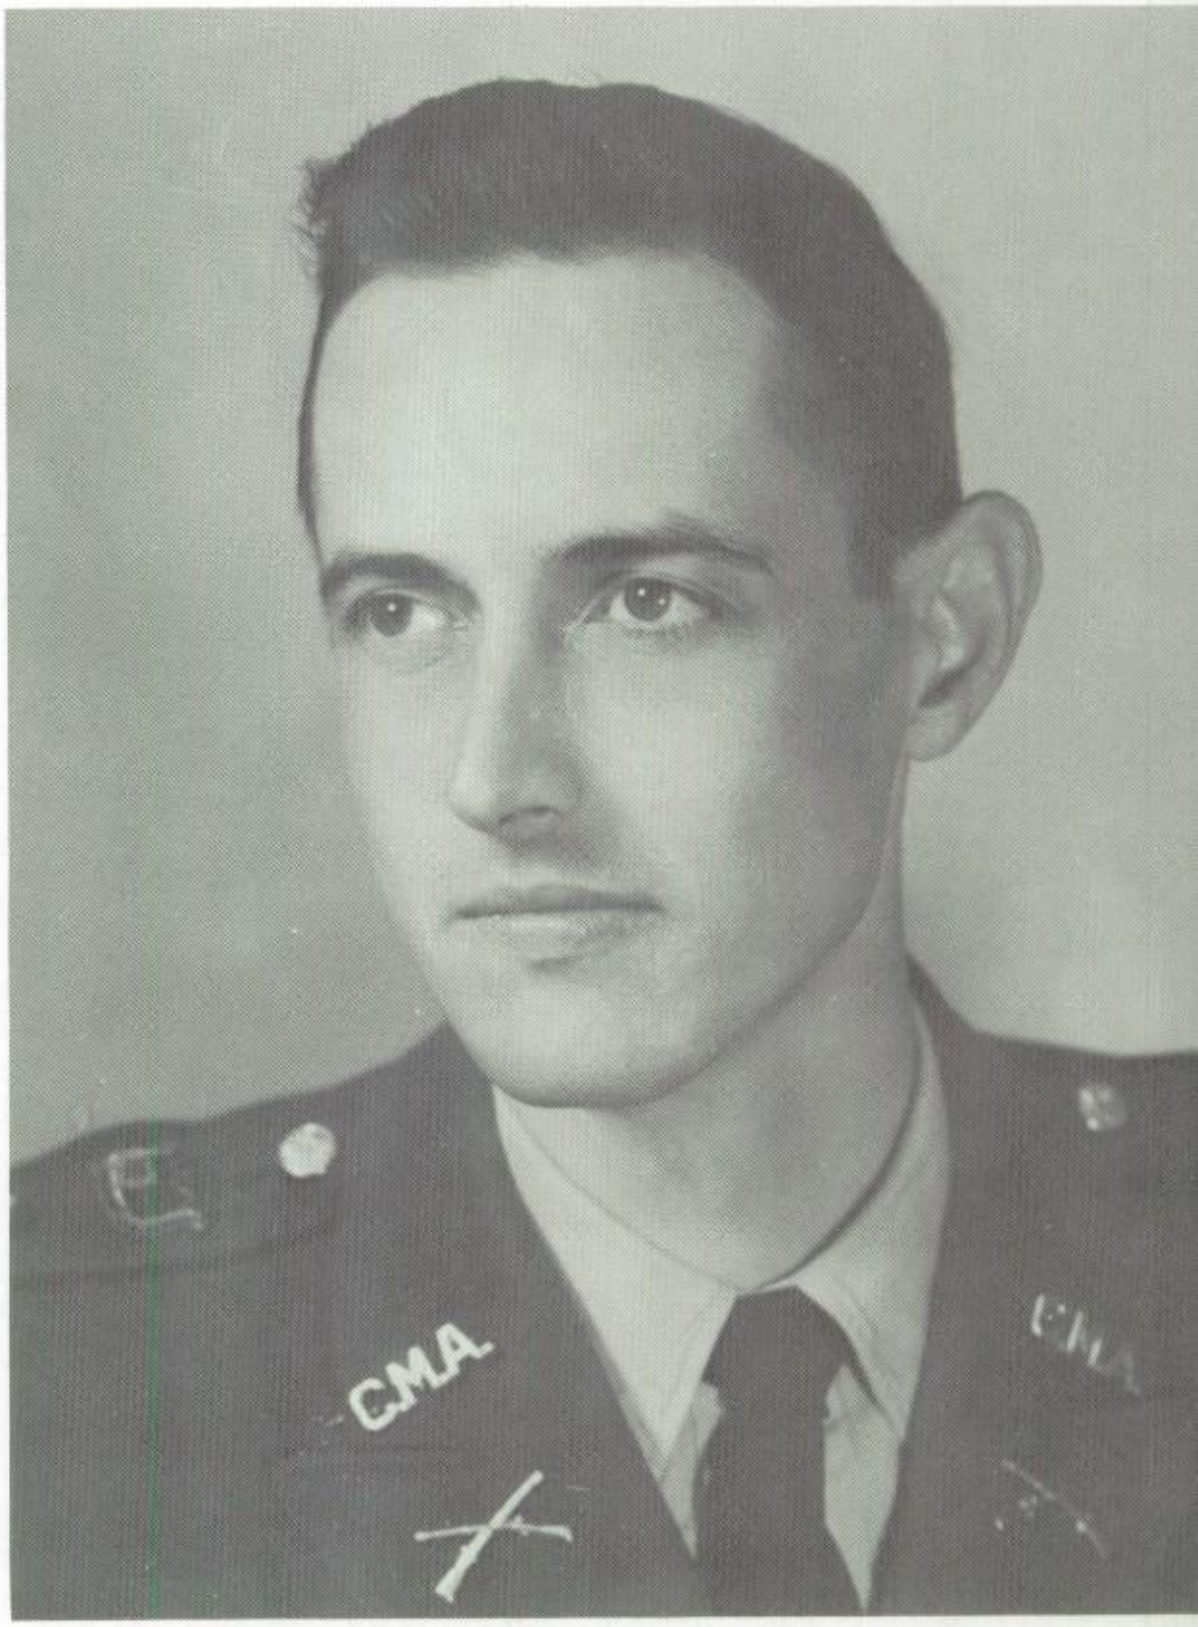
We the members of the class of 1964 are honored with the privilege of dedicating our yearbook to a man of many wonderful deeds. To you Professor Geisenheimer, may this small gesture show our affection, and our appreciation for the guidance you have given us.

THE PRESIDENT

Col. James F. Risher

Colonel James F. Risher was born in Hampton County, S. C., and graduated from The Citadel in the class of 1911. In 1924 he went to Carlisle Military School to teach. In 1928 he was made Headmaster, and purchased the school in 1939. In 1958 he purchased Camden Military Academy, and he now serves as president of Carlisle and Camden. The Cadets appreciate his influence on our lives, we are proud to be associated with this great man.

THE HEADMASTER



Col. Lanning P. Risher

Colonel Lanning P. Risher was born September 19, 1931, the son of our president, James F. Risher. He attended the public schools of Bamberg, South Carolina, and Carlisle Military School. In 1955 he came out of the Army with the rank of 1st Lieutenant of the Infantry.

He taught at Carlisle for three years prior to coming here as headmaster in 1958.

For the past six years Col. Risher has put forth much effort to make Camden Military Academy a top rate school. We of the EXCALIBUR staff salute you, Colonel Risher.

TRAINING CADRE

These are the veterans of one or more years at C.M.A. They trained the new recruits. Their constant drilling have made better cadets of us all.

N. C. O.s

Corporals, Sergeants, and Master Sergeants have done an excellent job in keeping things ship shape. It is through their example that we have done so well.

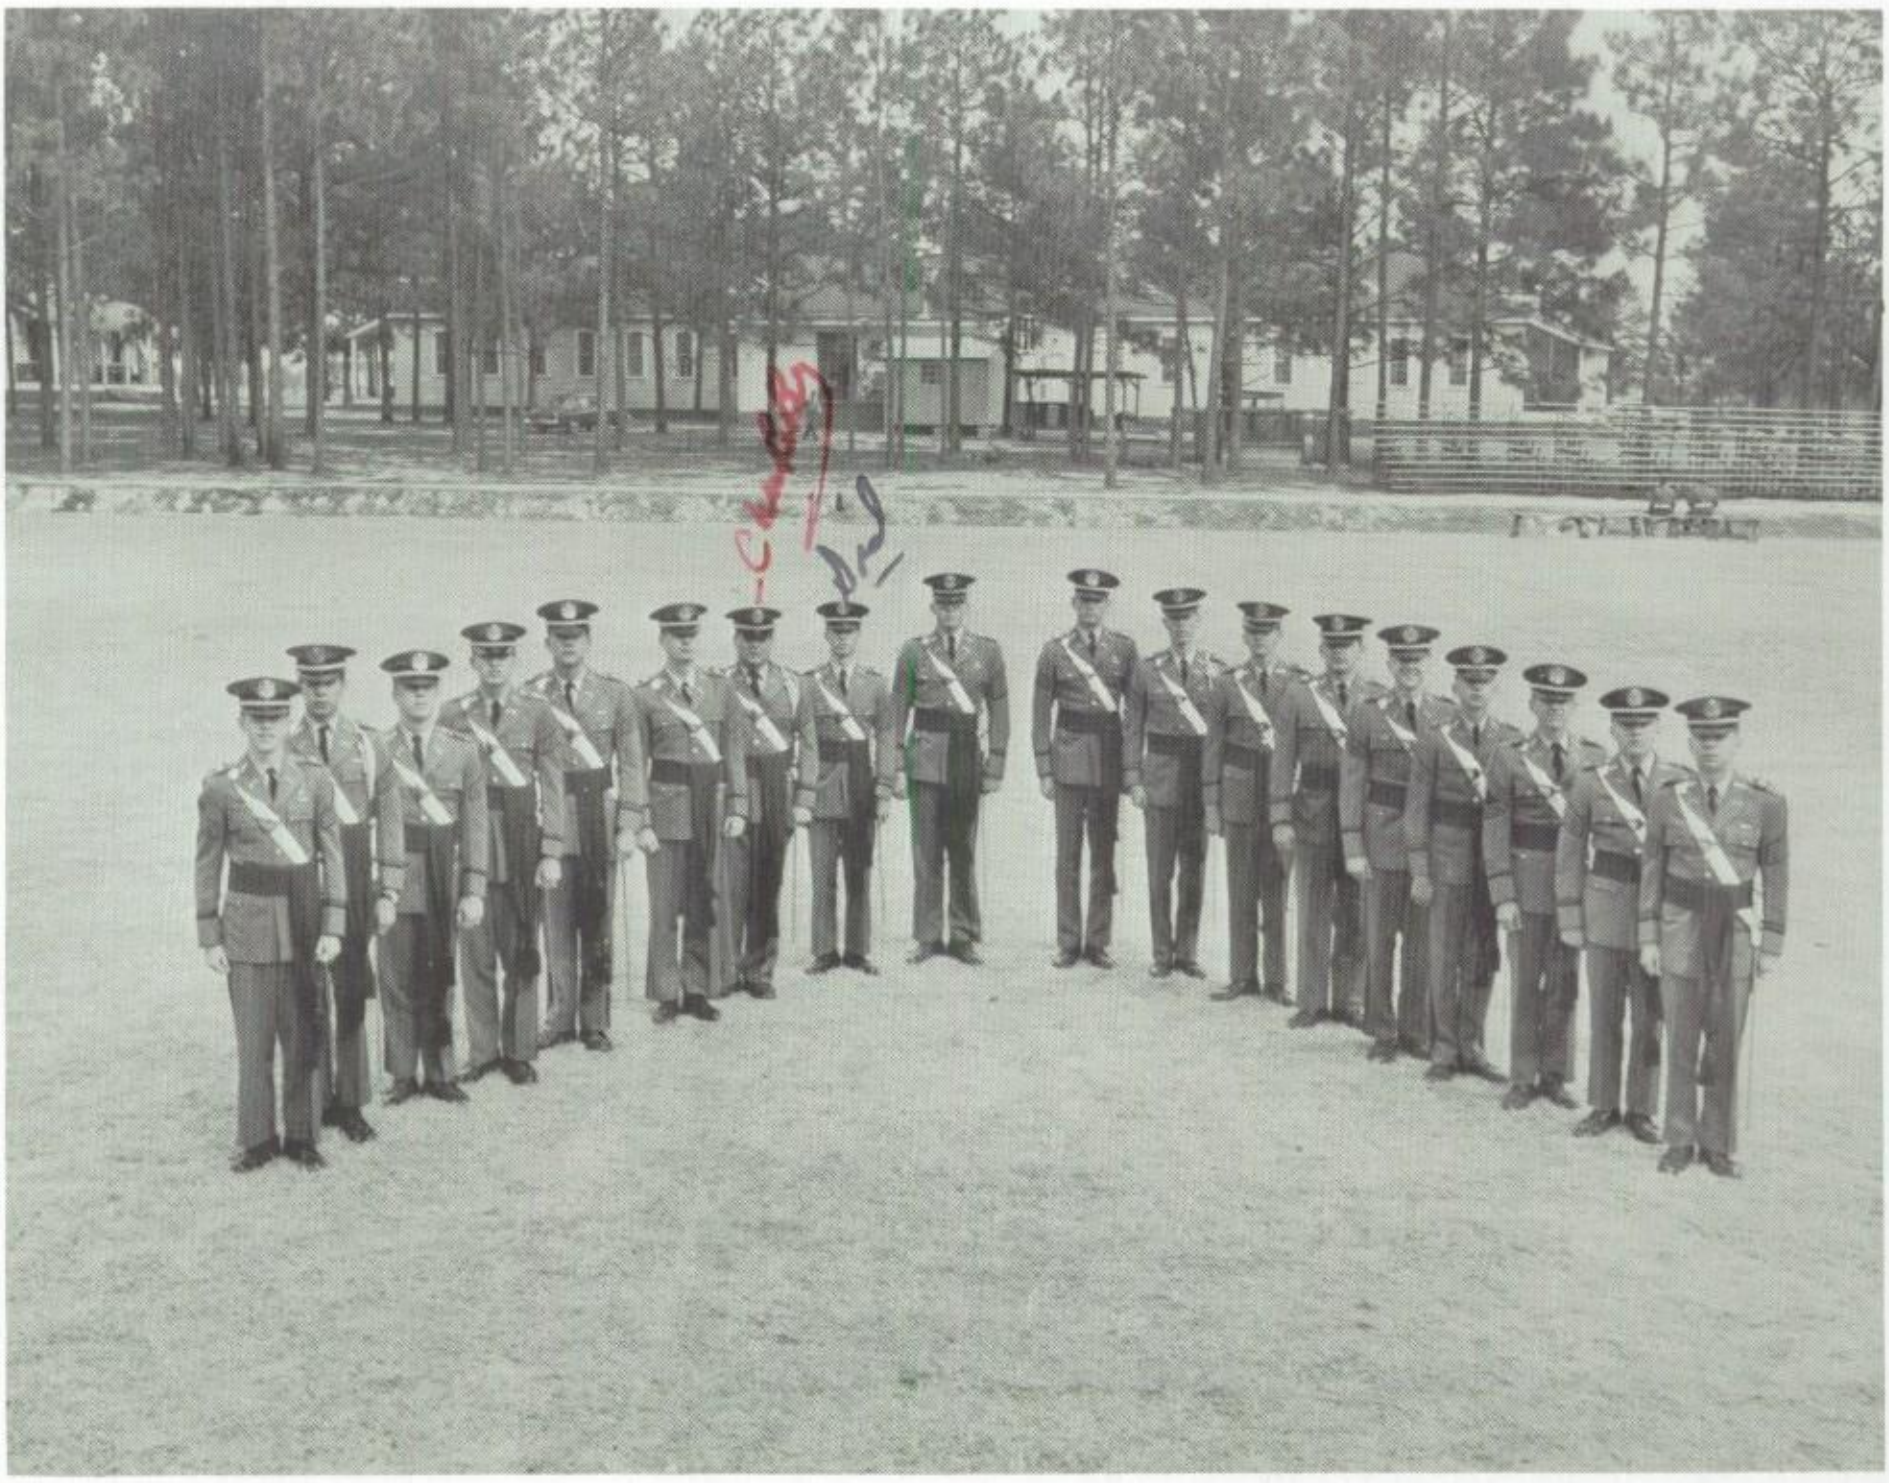
HONOR COUNCIL

Very few times a year, we are proud to say, we need these cadet officers. The character and honor of the cadet is held above all things. It is the task and duty of these officers to weigh in the balance, questions brought up when a cadet's honor has been impaired.



COMMISSIONED OFFICERS

The making of a Commissioned Officer begins when a boy walks through the gate. The goal of becoming a Commissioned Officer is the result of his training and appraisement. We can't emphasize enough the Commissioned Officer's duty to guide and be a good example to the Cadets who must follow him.
